### **Novelion Therapeutics Provides Update on Effective Date of Liquidation**

**VANCOUVER, British Columbia, December 11, 2019** – Novelion Therapeutics Inc. (Ticker: NVLNF) (“Novelion” or the “Company”) today announced that a hearing date has not yet been scheduled for consideration of the Company’s application materials, filed on November 18, 2019 with the Supreme Court of British Columbia (the “Court”), relating to Court orders sought by the Company in connection with the Company’s voluntary liquidation and dissolution (the “Liquidation”). As previously announced, the Company expects that such hearing date, once assigned, will also serve as the effective date of commencement of the Liquidation (the “Effective Date”). The Company intends to publicly announce the date of the hearing (and related Effective Date) as promptly as practicable after such date is received.

#### **Cautionary Information Regarding Trading in the Company’s Securities**

The Company continues to caution that trading in the Company’s securities is highly speculative and poses substantial risks. Trading prices for the Company’s securities may bear little or no relationship to the actual value realized, if any, by holders of the Company’s securities. Accordingly, the Company urges extreme caution with respect to existing and future investments in its securities. The Company’s profile on the OTC marketplace notes that the Company is delinquent in its reporting obligations with the U.S. Securities and Exchange Commission (the “SEC”) and that it is designated as “Pink Limited Information.”
